Union Pacific Railroad donates baggage car

by Gary Githens

The Union Pacific Railroad recently donated a baggage car. The car was a Southern Pacific unit which had been converted for maintenance of way service.

The donation is greatly appreciated. The car will be converted for much needed birthday party use. Pictures on page 4.

Annual membership picnic and train ride

The annual membership picnic and train ride was June 11th.

Larry Dodd was "chef" for the event. Chopped BBQ sandwiches, baked beans, potato salad, chips, lemonade and Klondike bars were served guests. After lunch approximately 40 members enjoyed a train ride.

Thanks to the volunteers that set up tables and chairs then returned them to storage after the event.

Railroad industry Executive visits ORM

Photographs by Raymond Woods
