## LARRC DINNER MEETING SPEAKERS

# CONNER JAINESE AND KATELIN SEETO

Conner Jainese and Katelin Seeto both grew up in the Los Angeles area, and attended the University of California, Santa Barbara for undergraduate degrees. Conner graduated with a B.S. in Aquatic Biology and Katelin graduated with a B.S. in Aquatic Biology as well as a B.A. in Environmental Studies. Katelin and Conner have been studying the spotting patterns on giant sea bass since 2014. Utilizing a spot/pattern analysis program called "13S Spot" (initially developed for other species including manta rays, whale sharks, etc.), substantial evidence has been gathered confirming that the spot patterns on giant sea bass are unique to individual fish and can be used to differentiate individuals from one another. Katelin and Conner continue to collect images and catalogue individual giant sea bass in the Southern CA area in an effort to better understand the population size and distribution of these awesome fish! And by looks of the photos they are also enthusiastic anglers.

**WE NEED LOTS OF VOLUNTEERS  
Friends, Family, Club Members**

Put on by... Los Angeles Rod and Reel Club  
and Foundation

Place - Hansen Dam Aquatic Center  
(Fish Pond) Lake View Terrace

Date - April 20, 2018

Time - 7:30AM - 3:00PM

Participation - Students from LAUSD's Lassen  
Elementary & Lokrantz Elementary  
(All these students are special needs)

This will be the 18th year that we have taken these  
schools for the Annual Trout Derby for their students.

The event takes over 100 volunteers to make the  
magic happen. The ratio is 1:1 with each of the ap-  
proximate 96 students who participate. We need vol-  
unteers for tackle prep, food prep, serving of the food,  
and fish cleaning.

Breakfast is served to all volunteers and once the stu-  
dents arrive, we start preparing lunch for all students,  
teachers, parents, helper, and all volunteers.

All fish caught are cleaned immediately and put on ice  
for each student to take home.
