## Volunteer Application

Thank you for taking the time to answer our questions. Volunteers are extremely important to the success of Community Village Lawrence.

Both members and volunteers can reap huge benefits from volunteer work. We would appreciate you giving us the following information and want to assure you that we will keep it confidential within the Village. This information will help us get to know you and will also help establish a more accurate projection of the service interests of our potential volunteers. This is not a contract and completion does not mean you are a volunteer of Community Village Lawrence (CVL). We will contact you again about completing the final steps of becoming a CVL volunteer.
