A way to advocate for the coaching profession, drive consumer awareness of coaching, and get people excited about the possibilities of partnering with a coach. [READ MORE](#)

## 2019 Global Coaching Survey: We are Counting on You!

Help ICF and our research partners at PwC make the 2019 Global Coaching Survey the largest study of the coaching industry to date. Take the survey today, and encourage the coaches in your ICF Chapter to do the same. Don't forget: If your ICF Chapter is located in a locale that achieves 100 or more completed surveys, you'll gain access to locally specific research data when the study is published next year. ### *Did you hear our great summer news?*

ICF South Florida Charter Chapter is excited to announce our first Pro Bono Coaching partnership for the 2019 "Ignite Initiative" with WEvolution.

We are now recruiting Spanish and English speaking coaches who are ICF South Florida members, who hold an ACC credential from ICF and who are willing to commit to "Ignite" our South Florida Community through 6 months Pro-Bono coaching.

For more information or if you have any questions, please contact the project managers:
