Become a member of the *Welcoming Committee*

You can be an influential contributor to the success of a stronger ICF South Florida Coaching Community by joining our **Welcoming Committee**. This committee is more than a meet & greet. We are inviting you to become a **Power Member**, and actively engage in our mastermind group to generate and implement new ideas that add value to each ICF South Florida member.

The **Welcoming Committee** is often the first group to interact with potential new members. If you choose to participate, you will represent our Chapter, and help others gain the most from their ICF South Florida Chapter membership. Joining this committee is also a great way for you to connect and network with our leaders and our community at large.

For more information on requirements and level of commitment, please **email** our VP of Membership **Mesha-Gay Walker**.
