A Message From Your Commodore

Greetings Corsairs and Happy April,

Spring has sprung and we are already a quarter of the way into the new year. As the cruising season approaches, the pace has begun to quicken. So far I have enjoyed the process of seeing key pieces of our calendar become realistic plans, the actual events that we all get to enjoy. As the monthly events come and go, it's spending time with fellow Corsairs that makes my job rewarding.

We had a very successful March Brunch meeting at CBYC with a good mix of Honorary, present, and future Corsairs in attendance. Many thanks to all who came out on that beautiful morning in San Pedro.

Fleet Captain Steve recently provided an excellent email with a recap of the highly successful Work Party #1. I would also like to add my appreciation to all who came out to accomplish so much in one day's time, especially to Joe and Kelly for bringing a good part of the work party and for Dr. Scott and Bridgett Hardy for spending their afternoon verifying and updating our medical materials.

Coming up next Saturday on the 13th we have our April Dinner Meeting at Huntington Harbour Yacht Club. There will be a Board Meeting at 5:00, with member check-in and cocktails at 6:00 and dinner at 7:00. Port Captain Brooke will accept payment by personal check or cash but cards will not be accepted for dinner. Cards may be used at the club bar. This is our first time holding a Corsair meeting at

this club and it promises to be a fun evening. They also have a large guest dock for anyone wanting to dinghy to the club.

Following close behind next week's meeting we have our annual Easter Cruise to Two Harbors. I'll go over all the "Easter at the Island" events on Saturday at our dinner meeting. If you won't be attending, please send your two dozen filled Easter eggs over with a fellow Corsair. Contact me if you need help arranging this.

That's all for now! Have a great week and I hope to see 50 to 60 of you, my fellow Corsairs, at HHYC on Saturday.

Best Regards,

Commodore John
