

Good Evening Corsairs,

A revision to my January letter.....

One of the things Kelly & I wanted to make sure we do in my year as Commodore was to properly thank all those who had a hand in the Corsairs events. Well, I just woke up and realized I had already forgot someone very important, RANDY BOELSEMS, our Good Cheer Man. He stood up front of the Corsairs at the January meeting sharing good news, no so good news and announced the birthdays and anniversary in his always **enthusiastic** and **welcoming** manner. You were amazing, Randy. Kelly and I thank you from the bottom of our hearts. The Corsairs are very fortunate that you and your family have agreed to be our Good Cheer Team this year.

We are thankful for the entire club! Love you all!

Commodore
