

Hello Corsair Family,

Covid-19, Social Distancing... all words I am tired of and I am sure you all are also. Our dinner meetings, board meeting and most importantly our Cruises are all off limits due to this pandemic. Lady Stone and I pray for you all you daily. We pray you are all safe and healthy.

However, we are Corsairs and we must continue and make the best of times. We are **Corsair Strong!**

With our Easter Cruise @ Two Harbor being canceled, a tradition since 1947, we held our first Virtual Easter which featured some of our treasured Corsair Traditions such as the "Hat Contest", "Punch Bowl", "Burning of the Socks", and we also had a surprise visit from the "Easter Bunny". Thank you to all that attended, to those who decorated your hats and those of you who had a poem and lifted a glass. I want to also give a big thank you to Randy Boelsems for the Good Cheer. Thank you to Joe Churilla & Kelly Manning for judging the Hat Decorating, by the way your hats were over the top. Thank you to Roger and Patty Civaleri for the Corsair Toast. Thank you to Steve & Karla Zimmerman for starting the Burning of the Socks. The event was recorded and can be viewed on our Facebook page.

If you have a chance to grab a "The Log", we got some great recognition in the recent edition thanks to Dennis Lynaugh about our Virtual Easter and our Beloved Mike Doell. Thank you again, Dennis.

I must announce that the following Corsair events are cancelled due to Covid-19:

- Conservancy Ball – April 24-25
- Work Party #2 - May 2
- Memorial Day Cruise – May 23-25

Good news is that we just held our 2nd virtual Board meeting on Saturday, April 18th with the Neptune's as host. We are blessed to have such a great group of Directors and Chairs who are all working to keep this Club united in these trying times. We have put together a committee who are working on a plan for a Social Distancing Alternative Cruise, details to come. We also talked about many other plans on keeping the club strong. Once again, I cannot thank my team enough.

We are hoping you all will join our next Virtual Brunch/Social Meeting on Saturday @ 1:00 via Zoom. Bob Eberwine will be sharing all his improvements on our Website (please check it the website), and a Virtual Bingo game that will bring money to the winners and to Club in absence of the raffle. Details to come later today.

Our Fleet Captain Brooke Alberts reached out to the Island Company and has confirmed that if you lease a mooring you can use it. You just can not cross the sand, otherwise you will be subject to a \$1000 fine.

I also want to give a big thank you to Nate Erlandson at our neighboring Boy Scout Camp for keeping an eye on our cove and holding our supplies. We have great neighbors. We pray that you are safe and can't wait to see you again.

I do hope you are enjoying your Sunday and just wanted to give you all some "Cone Heads" to enjoy.
