

Good Evening Corsair Family,

First off, I must say, I MISS YOU ALL and more importantly I hope you are all healthy and practicing safe measures. I am sure you are all aware that the social distancing orders has been extended to April 30<sup>th</sup>, 2020. This is all very challenging, but this is what **we must do** to beat this so we all can get back to our normal lives.

Lady Stone and I miss you all so much, so we have decided to hold Zoom meetings for both the April Board Meeting and the April Brunch Meeting. It will be a virtual Corsair Month. We did this for our March Board meeting and it worked. We can hold up 100 spots and it is a safe way to get us together. We will send out the details later.

We are so eager to induct our amazing new prospectives, but must be on hold and soon as this is all clear we will start the inductions again. Hang tight, we will get through this. We are also working on new schedules to make up for all the fun events in Corsairs tradition.

I am also urging all of you to adhere to both the Island Company & Catalina Island Conservancy to stay away from the island. I know it sounds like a great place to social distance, but if you needed help it would pull from their very limited resources at this time at most of the employees have been put on furlough. Please as Corsair, respect their wishes. They don't not want boaters there during these times.

Once again, Lady Stone & I pray you are all staying safe and keeping healthy.

We have the BEST LITTLE YACHT CLUB IN THE WORLD!

I am leaving you with some Corsair fun memoires to watch and more to come. Please click on the link below. Soon we will do this all in the Cove again.
