

*Corsair Yacht Club*

*Membership Application and Instructions*

Thank you for your interest in becoming a member of the Corsair Yacht Club.

Attached is an Application, which includes Sponsor and Secunder forms. **Your application must include the following four (4) items before it can be processed:**

1.  Completed application form, together with the Sponsor and Secunder forms.
2.  Vessel ownership documentation: a copy of your boat's registration or certificate of documentation. Vessel ownership is a membership requirement.
3.  Individual passport-style photos of yourself and your spouse. Electronic versions (.jpg, .gif, etc.) are preferred and may be e-mailed to [rearcommodore@CorsairYC.com](mailto:rearcommodore@CorsairYC.com).
4.  Application fee of \$193.75 by check made payable to the Corsair Yacht Club and send to: Corsair Yacht Club PO Box 4777 Long Beach, CA 90803.

Please give your completed package to any member of the club so they can deliver it to the Rear Commodore and Membership Committee on your behalf.

Your membership application package will be submitted to the Membership Committee for evaluation and consideration. If accepted, you will be granted Prospective Membership status and have one year from the date you become a Prospective Member to meet attendance requirements by attending three dinner meetings and three official cruise events.

As part of your Prospective Membership, you will be given logon identification and a password for access to the club website at [www.CorsairYC.com](http://www.CorsairYC.com). The website is where you will register for dinner meetings, cruises and other events. The e-mail address you provide will receive communications from the club.

You will also be given a club roster booklet so you may familiarize yourself with the general membership, and you will have access to our beautiful facility at Corsair Cove in Emerald Bay during club events. You will not, however, be given keys to the facility until you are inducted as a Regular Member.

Once you have qualified for membership and there is a Regular Membership open, your application will be reviewed by the Board of Directors and, upon approval, your qualification will be announced to the general membership. At the completion of this process you will be invited to pay Regular Membership pro-rated dues and be inducted at a club dinner meeting.

Please contact any of our Officers or Directors if you have any questions at all about the application or membership process.

Sincerely,

Rear Commodore, Corsair Yacht Club  
Membership Committee Chairperson
