CAN I SEND INFORMATION OUT MYSELF TO THE ENTIRE MEMBERSHIP?

Yes. If you would like to reach all members about upcoming workshops, conferences, events, or performances there are two methods: Use the Events forum or send announcements to events.forum@ndeo.net

HOW DO I ACCESS THE EVENTS FORUM?

1. Go to the MEMBER RESOURCES tab.
2. Select Online Forums.
3. Scroll down to Forums and select the Events forum.
4. Click the **Start New Thread** button. You will initially see the simple message editor.
5. Specify the subject and, optionally, a message icon from the drop-down list.
6. Enter the text and click **Post Message**. The message will be added to the forum.

FORUM PROTOCOL

*When using the Events Forum, since this goes to the entire membership, you do not need to send to the other forums. Choose the most appropriate forum, not all of them. When responding to a message, please be sensitive to the fact that other members will receive your message. **It is often a much better choice to reply to an individual rather than to the entire forum (which will happen by hitting reply). Find the specific email of the person who wrote the message—you can find the email address at the top with the message Reply directly to—and reply to that individual!*** Please refrain from using the forum for overly personal conversations and discussions that are intimate in nature. Be courteous to the membership!

MEMBERSHIP DIRECTORY

The Directory allows you to view other members. Choose a search value (Last Name, First Name, State...) and click the "Search" button. The system will display matching members. Click the member's photo or name to see the bio for that member. If a down arrow is not displayed when you move your mouse over the photo, that member has chosen not to display a bio. You can edit your directory information by clicking the Profile link. You can also choose to remove your name from this list if you desire.

HOW DO I SUBMIT AN EVENT FOR THE CALENDAR?

Send an email to events@ndeo.org with all pertinent information in a word document. **Kindly refrain from sending this information as a PDF.** Directions are on the EVENTS page. Calendar listings are limited to those applicable to teaching or learning dance in the arts and have as their primary objective professional development, e.g., conferences, workshops, master classes. All active individual and institutional members of NDEO are encouraged to submit announcements of professional development programs for the Events Calendar. *Performances are not included in the online Events Calendar, but may be sent via the Events Forum.*

LOOKING FOR A JOB?

Sign up to receive the Jobs Forums in your inbox, or browse the archives of past announcements. To sign up, click MEMBER PROFILE and change your settings under Forum Memberships.

HOW DO I SUBMIT A JOB POSTING?

Send an email to jobs@ndeo.org. Include pertinent information for the position including the description, qualifications, guidelines, deadline, starting date, salary, contact info, and URL to redirect the reader to the site where the announcement may have a fuller description and/or application information. Send this text in the body of the email or as a word document. If possible, please refrain from sending this as a PDF. Job announcements are limited to those in the fields of dance and arts education and can be for any population including private studio, PreK-12 public and private, post-secondary, performing arts organizations, conservatories and community programs. *Job postings of interest to NDEO members can be submitted for free.*
