“Hall Of Fame Award”

Eastern States Exposition has been in existence since 1916 and is committed to excellence in providing year-round opportunities for the development and promotion of agriculture, education, industry and family entertainment, while preserving our New England heritage. Eastern States Exposition has now created a platform to recognize those who have demonstrated excellence in their discipline, significant achievement in the competition world, longevity, as well as having made outstanding contributions to the sport and equestrian community. Those few individuals or equines whose achievements and contributions to the sport have set them apart will be considered for induction to The Eastern States Exposition Hall of Fame. Each year three “nominations” for the Hall of Fame will be considered. The inductee will then be chosen by “The People’s Choice” via voting throughout the equestrian community. Individuals and equines can be considered for nomination posthumously.
