NOTICE

Under Vermont Law, an equine activity sponsor is not liable for an injury to, or the death of, a participant in equine activities resulting from the inherent risks of equine activities that are obvious and necessary, pursuant to 12 V.S.A. § 1039.

Neither members of The Lippitt Club, Inc.; Lippitt Country Show Committee; nor The Lippitt Club, Inc.'s Board of Directors shall be held responsible for theft, accident, or injuries that occur to or by any rider, driver, groom, attendant, spectator, animal, or equipment while on the show grounds. All horses and vehicles are entered at the owner's risk.

The 44th Annual Lippitt Country Show is open to all registered Morgan horses. **Our primary objective continues to be to provide a showcase for the Full Lippitt Morgan**, that is supported in part by the Half Lippitt. A Half Lippitt, for the purpose of this show, is defined as a first-generation Half Lippitt; (i.e one who has a Full Lippitt parent). Pedigrees for both Full Lippitt entries and Half Lippitt entries will be screened. **"Breed Classes" (in-hand) are available only to Full Lippitts.** All horses must be registered with the American Morgan Horse Association Inc., or Canadian Morgan Horse Association Inc. (or, if under the age of one, must be eligible for registration) and must be entered under their full registered names.

This show is intended to be a learning experience extending to the exhibitor, breeder, and spectator. The horses shown should be presented in a manner that is honest and natural. Since the judge's decisions may determine the direction of future breedings, we cannot emphasize enough the importance of adhering to the judging standards to which we subscribe.

RULES AND REGULATIONS

Please take the time to read through these rules carefully!

1. Unless otherwise stated in this Prize List, general USEF, ADS, and USDF judging rules will be followed.
2. Show Officials reserve the right to expel from the show grounds any horse or person who proves to be unruly or dangerous. The Judge will order from the ring any unruly horse or one whose actions endanger other exhibitors and their entries. Excessive whipping (with whip or reins) is prohibited.
3. Show Officials reserve the right to expel any sick horse suspected of being a risk to other horses. The owner of the horse may request a health check by the on-call vet. If the horse passes the health check, the Lippitt Country Show will be responsible for the veterinary costs; if the vet determines that the horse's illness presents a risk to other horses, the owner will be responsible for the cost of the health check.
4. All appliances or action devices are prohibited on the show grounds. Appropriate protective boots and half-cup blinkers will be permitted in exercise areas only. This show will be conducted in observance of the underlying principles of the Federal Horse Protection Act as well as the published USDA Guidelines.
5. Correctness of tack is encouraged but is not to take precedence over correct performance, type, or conformation, both for in-hand and performance classes (unless otherwise specified). In-hand horses are to be shown in suitable halter or bridle. The use of full or Pelham bridles is suggested for Saddle Seat classes. No crops or whips will be allowed in Western Pleasure classes.

6. While traditional style of dress is encouraged for their respective classes, exhibitors who are neatly attired in non-traditional dress are not to be discriminated against by the Judge when placing the class. Polo shirts are allowed. Shorts and tee shirts are not considered "traditional dress" and are therefore not acceptable. Our priority is to have the horse judged, not the exhibitor.
7. No article shall be worn or carried in the show ring that would identify owner, farm, or horse being exhibited. [from The Lippitt Club, Inc.'s Handbook]
8. Any horse may be shown barefoot, with the exception of yearlings and weanlings, which **MUST** be shown barefoot. Each horse's hoof length, measured from coronet band to the ground, must not exceed 4½ inches for full Lippitts and 4 3/4 for all other Morgan Horses including pad and shoe. Shoe weight must not exceed 16 ounces including the pad. Bar shoes are not allowed.
9. Management reserves the right to measure feet before any protests are lodged where the length of toe is a requirement. Champions and Reserve Champions must have one foot measured immediately upon leaving the ring.
10. An amateur is one who, after the age of 18, does not accept remuneration for showing, training, instruction, etc. Refer to the USEF rule book (Rule GR1306-1307). Management reserves the right to check amateur status.
11. Junior Exhibitor classes are open to riders 18 years old or under as of January 1, 2018. Protective headgear must be worn. Stallions are prohibited.
12. Protective headgear is required in the following classes: Open Jumping, Leadline, Beginner Walk/Trot, Hunt Seat Pleasure, Hunter Hack, and all races. An exhibitor of any age will not be penalized for wearing protective headgear, regardless of the class entered. Chaps and spurs are optional in Western classes.
13. Show Management reserves the right to combine, split, or cancel any class.
14. In fairness to other exhibitors, please record any tack holds, scratches, and post-entries at the Secretary's Tent **at least three classes in advance**.
15. Obstacle, Jump, and Trail courses will be posted at the Secretary's Tent on the day the classes are held.
16. A mandatory meeting for the trotting races will be held at the Secretary's Tent at the lunch break on Saturday. Exhibitors must be present. If not, the post position will be drawn for them. Exhibitors are responsible for knowing race rules.
17. All trophies won must be signed for and picked up by the end of the show. The Lippitt Country Show is not responsible for engraving any unclaimed trophies.
18. Dogs must be leashed and must not be within 20 feet of ringside. Any dog that is found to be disruptive or endangering to others must leave the show grounds. Loose dogs will be impounded. Dogs should not be left unattended in automobiles.
19. Tunbridge Fairgrounds officials do not allow campfires of any kind: "Absolutely no hibachis, no ceramic chimneys, no fires at all, no wood brought in, etc."
20. **DO NOT TURN HORSE(S) OUT** in the warmup ring one half hour before the show has begun to allow exhibitors practice time prior to their classes. No exceptions!
21. Entry money will not be refunded unless a written Veterinarian or doctor excuse is provided within five working days from the end of the show.
22. Riders who show in walk/trot classes, cannot enter in classes with walk/trot/canter.

Judging Guidelines

The Lippitt Club, Inc., and the Lippitt Country Show is based on the belief that the qualities for which the Morgan breed was recognized in its infancy are valid today. We believe that the Morgan "look" (type), temperament, way of going, and versatility still make it a horse to be admired and preserved. To this end, we stress manners and an easy, balanced way of going more strongly than does any other Morgan show. We expect our show horses to act like pleasure Morgans, with presence and that "Morgan look." It has been necessary to develop a document that will make clear what we expect from exhibitors, both amateur and professional, as well as our judge.

We adhere to the following "Standard of Perfection" for the full Lippitt Morgan, which also appears in our show program. We ask the judge to determine placings using this standard. We realize that it may differ somewhat from those currently used elsewhere. This show is intended to be a learning experience for our amateur exhibitors and a place for owners to showcase their Lippitt Morgans. This show will convey an atmosphere of relaxed and friendly equine competition. We do however, encourage exhibitors to present their horses properly prepared for the job at hand.

For full Lippitt classes, please refer to the following Standard of Perfection. We underline the fact that we intend to adhere to this standard without regard to what the rest of the Morgan world is doing. Therefore, we feel that large horses should not be favored over small horses and that "parky" way of going should not be favored over pleasure motion in either in-hand or pleasure classes. We also are serious about considering 40% type and conformation in the performance classes where called for by the Prize List.

Standard Of Perfection

In the following description of our ideal Morgan, we quote from the 1959 Judging Outline and the 1952 Standard of Perfection, ©Mid-West Morgan Owners, Inc.

"The Morgan should have a head broad between the eyes, straight and slightly dished when seen from the side, large expressive eyes, short ears widely set on a short, broad skull, but with the fineness throughout and a flaring nostril. A well-crested neck of medium length appears to come out of the top of the long, well laid back shoulders and blends smoothly through the withers into a well-sprung, deep body. The back is short and smoothly joined to the hindquarters with a short, broad, heavily muscled loin. The croup should be long, wide and slightly sloping in appearance. Being heavily muscled and well rounded, it will balance the front quarters. The legs are characterized by long forearm, thigh and gaskin, and short cannons, with joints large and clear. They are viewed as straight from the side and front and are carried straight in motion. Pasterns are medium length, should correspond to shoulder angle, and the feet are small, round and dense quality. Balance of substance and quality indicated in compactness of form, strength of limbs and body, suggest the ability to withstand hard use and stress.

The Morgan is a small, compact horse. The height should range between 14.1 and 15.1 hands, and weight should be 900-1,100 pounds. The ideal is 14.3 and 1,000 pounds. The best type is associated with the smaller individual. A Morgan over 15.1 usually lacks many of the distinguishing characteristics.

The natural gaits of the Morgan horse are the walk, trot, and canter. The distinct and characteristic type of the Morgan is responsible for his characteristic way of going. The walk should be fast, accomplished by a short rapid step.

The trot should be low and smooth, with an elastic and energetic stride, giving the impression of power and speed. In reality, the Morgan trot is not fast: but the rapidity and power of his action gives the impression of speed. The canter, like the walk and trot, should be accomplished by powerful, rapid and elastic movement. The gaits should be done in a spirited and fearless style of action."

Equally important are presence, disposition and endurance. In The Perfect Horse, William Murray describes Morgans as amiable and affectionate. The Morgan Judging Outline says:

"Morgan countenance should express an abundance of energy, exemplified by a friendly attitude, and bold, energetic and fearless movement. It is actually the nervous system of the Morgan that makes him the invincible, but controllable, animal that he is. This is in contrast to the 'hot horse' which defies direction of his physical powers."

SPORT HORSE IN-HAND

TO BE SHOWN ON THE TRIANGLE SPORT HORSE IN-HAND GENERAL

In-hand Classes may be held in any age groups deemed appropriate by competition management and published in the prize list with the exception that horses of one sex shall not be judged against those of the opposite sex. Specified group classes or specified championship classes are exempted. Judge must excuse from the ring any unruly horse or one whose actions threaten to endanger other exhibitors. Horses to be shown on the triangle with one handler and one whip permitted. A horse must be severely penalized for the lack of cadence and balance or evidence of broken wind.

TRIANGLE

Horses will be shown individually on the triangle. Following a posted or announced order, or on request from the judge, entries in each class will approach the judging area one at a time and walk to the apex of the triangle. Conformation judging may take place before or after performance on the triangle, so entry is required to wait for the judge's instructions. The handler will lead the horse on the perimeter of the triangle at the walk and trot, returning to the apex and wait for further instructions. At the completion of the judging, the handler will lead the horse away from the judging area. When presented to the judge, the horse is to be shown in an "open position," for conformation judging. The traditional way of showing open position would be with the right front leg slightly back and the right hind leg slightly forward; as long as all four legs of the horse are visible to the judge when standing on either side of the horse, would be acceptable. The horse's head and neck should be allowed to show in a natural and comfortable carriage, and the handler should stand away from the horse with a loose lead line. The triangle may be adjusted to fit local conditions but ideally should be 30X30X40M.
