## EXHIBITOR INFORMATION

**ENTRIES CLOSE MARCH 13, 2017.** Entries postmarked later than March 13 will be charged a post entry fee of \$25 per horse.

**Management** reserves the right to refuse a *Post Entry* in classes where the additional entry would make it necessary to split the class. **Management** reserves the right to cancel, combine or divide any class where it is deemed advisable and to reschedule any divided class. Although post entries will be accepted until a session begins, a class may be cancelled at the beginning of a session due to insufficient entries at that time. **Management** reserves the right to decline any entry and to return any entry fees before or during the show without being liable for compensation.

**Sharps:** Management requests that exhibitors comply with USEF Rule GR 1210 regarding “**SHARPS.**” Failure to do so will result in a fine.

An agent may make entries for more than one owner, but each owner must be on a separate, signed entry blank. A \$20 office fee will be charged per horse. A program will be included with each entry.

Entries are payable in U.S. Funds only. A \$50 fee will be charged to exhibitors who fail to pay their fees before leaving the show. A \$25 fine will be assessed to any exhibitor failing to notify the Horse Show Office of a scratch before the beginning of the session. **Returned Checks/Declined Credit Card Policy:** There will be a \$25 charge for returned checks or declined credit cards presented as payment for horse show fees.

Within 5 days of receiving notification from the bank and/or credit card company, the secretary or designated show representative will send a registered letter to the person presenting the check or credit card. If payment is not received in the form of a certified check, money order or cash within 2 weeks of notification, the exhibitor will be turned into the USEF for non-payment of fees. Fines to the USEF because of non-negotiable funds can run as high as \$750.

**STALLIONS** may not be entered in classes specifying ladies or junior exhibitors to ride or drive.

**Junior Exhibitors** are those who have not reached their 18<sup>th</sup> birthday as of December 1 of the previous show year.

**Amateur Status (GR 105)** – Only active Federation members may obtain amateur status. Every person who has reached his/her 18<sup>th</sup> birthday and competes in classes for amateurs under Federation rules must possess current amateur status issued by the Federation. (Exception: This is not required for Opportunity classes). This status must be available for inspection or the competitor must have lodged with the competition secretary at least one hour prior to such class, an application for such status provided by the Federation. Amateur status will be issued only on receipt of the application properly signed and is revocable at any time for cause.

**Novice Amateur Classes** are open to exhibitors who have not won three first place ribbons at Regular or Local USEF member show, or shows sanctioned by UPHA. The status of any Novice Amateur is as of the closing date of entries for any recognized competition. See USEF Rules 135. After April 1<sup>st</sup>, the Eligibility Fee becomes \$150 per horse. Payment of the eligibility Fee will be made in the name of the entered horse or pony and will make that animal eligible to compete in all UPHA Classics classes held that year. *Eligibility entry forms are available on the UPHA web site.* The professional trainer and owner of a UPHA Classic entry must be an active member of the UPHA. If a non-professional is exhibiting the horse, they must be an Associate or Junior member.

All monies collected in each Classic will be dispersed in that class. Prize money in a \$250 Added Money Classic is divided as follows: \$150 is deducted from the total, with \$50 going to fourth, fifth and sixth places. Of the balance, 50% is paid to first place, 30% to second place and 20% to third place. If there were only 2 entries, the total prize money would be split 60% and 40%. If only 3 entries show, the original percentages would apply, without the \$150 deduction. In case of only one entry, that entry would receive 100% of the total.
