## VOYAGES: Village Dining Adventures

The Development Committee has cooked up a delicious fundraising opportunity for those who enjoy entertaining: A "dine-around," whereby friends and family make a donation to the Village and then join you for a special meal or cocktail party.

The get-together can be anytime in the month of June that best suits your schedule, and the Village will create a webpage for you to promote your event and direct your supporters to. The Village will also act to secure a sponsor for your event to offset expenses.

Are you a restaurant or other business supporter of the Village? Contact us to learn how your restaurant can host an event while building new clientele, or how you can entertain your clients while making a tax-deductible donation to the Village.

Check out the VOYAGES already underway by clicking on the images to the left, and [Read More Here](#) on how to set sail yourself!
