The purpose of the NMFMA is:

To promote public awareness of proper floodplain management;

To promote the professional status of floodplain management and secure all benefits resulting therefrom;

To promote a liaison between individuals concerned with proper floodplain management and to encourage the exchange of ideas;

To keep individuals concerned with proper floodplain management well informed through educational and professional seminars and to provide a method for dissemination of information, both general and technical;

To inform concerned individuals of pending floodplain legislation and other related management matters; and

To study and support legislation pertinent and necessary to the effective implementation of floodplain management matters.

New Mexico Floodplain Managers Association
