Dear Community Partner,

On Saturday, October 5, 2019, the Morning Optimist Club of Moreno Valley and the Soroptimist International of Moreno Valley will be holding its fourth Annual "QuarterMania!" Proceeds from this major fundraising event will be used to improve the lives of youth and women through various programs in Moreno Valley.

Examples of these programs through the Optimist Club include awarding scholarships to high school seniors, supporting career development programs, supporting at-risk recreational and sports programs, sponsoring community youth recreational and sports teams, developing the Letterman Jacket Program for low-income high school students, and providing holiday food and Easter baskets to local children. The Soroptimist Club programs include providing women and girls access to education; assisting women and children impacted by human trafficking, domestic violence, abuse, and neglect; helping women recover from drug and alcohol addiction; and mentoring at-risk girls.

In an effort to enhance the success of this event, we would sincerely appreciate your support through one or more of the following:

- A donation of gift certificates or prizes, which will be included in drawings during the event
- Financial or In-Kind Sponsorship, which will include public recognition during the event for your generosity (see attached for sponsorship levels)

We have provided a brief description of QuarterMania!!! for your information. If you require any additional information, please feel free to reach us by phone at (951) 235-2750 (Optimist Club) or (951) 915-4822 (Soroptimist Club).

The Optimist and Soroptimist Clubs are international volunteer service organizations, and we strive to provide children and women with programs and opportunities for the better improvement of their lives and careers.

QUARTERMANIA!!!

WHAT IS A QUARTERMANIA?

A QuarterMania is a cross between an auction (where you hold up a numbered paddle to bid on an item), a raffle (where you are trying to win a prize), bingo (using a chip or ball with a number on it), and a home party (gathering with friends). It is the newest way of 'FUN'draising for local community service and charity organizations.

There are a LOT of different types of QuarterManias, Quarter Raffles, Quarter Auctions, being played these days! Each one is filled with fun and excitement from the organizers who love what they are doing, to the vendors who love sharing their business information and products, to the guests who love to play and support different charities and non-profit organizations, and to the organizations who appreciate this new way of 'FUN'draising!! Everyone has 'donated' money at one time or another to a cause that is near and dear to their hearts! And we are just giving people another way of donating funds for these causes while winning some prizes for themselves!!

Our thoughts are that if you are going to donate money anyway to help out your local organizations, why not come to one of these events and have some fun and maybe even win a few prizes yourself!! Tell your supporters, tell your friends, tell everyone - to check out this different way of raising funds for others!!!
