**Make checks payable to the:  
Morning Optimist Club of Moreno Valley Foundation**

## WHAT IS QUARTERMANIA?

QuarterMania is a cross between an auction (where you hold up a numbered paddle to bid on an item), a raffle (where you are trying to win a prize), Bingo (using a chip or ball with the number on it), and a home party (gathering with friends). It is the newest way of FUNdraising for local community service and charitable organizations.

There are a LOT of different types of QuarterManias, Quarter Raffles, Quarter Auctions, being played these days. Each one is filled with fun and excitement from the organizers who love what they are doing, to the vendors who love sharing their business information and products, to the guests who love to play and support different charities and non-profit organizations, and to the organizations who appreciate this new way of FUNdraising! Everyone has donated money at one time or another to a cause that is near and dear to their hearts. We are giving people another way of donating funds for these causes while winning prizes for themselves.

Our thoughts are that if you are going to donate money anyway to help out your local organizations, why not come to one of these events and have some fun and maybe even win a few prizes yourself. Tell your supporters, tell your friends, tell everyone to check out this way of raising funds for others.
