8. Click **Next**. You will be taken to the *What are your interests?* page.
9. **Indicate your interests**, and click **Next**.
10. The next page allows you to set up your ClubExpress user name and password. You will be provided with a suggested User Name. **Type a User Name** of your choice. **Type in your desired password**, and **reconfirm that password**. Click **Next**.
11. **Review the summary screen**. Then click **OK** to close the dialog box.
12. Click **Finish and Proceed to Payment**. You will receive a member confirmation email, confirming that your online membership application has been received. Your membership status is marked as *Pending*. To activate your membership, you must use the options on the payment page to complete your payment process. Your membership will be active as soon as your payment is received.
13. Select your **payment method** from the drop-down menu. Choices and actions are listed below. Note you can print an invoice or print the page.

Credit Card: Select **Credit Card**, **complete the information**, and click **Submit Payment**. If you paid by credit card, you will receive a payment confirmation email almost immediately with a receipt for your membership dues payment. You can then log into the Club website. Note: If the payment confirmation email doesn't arrive, then the credit card transaction may not have gone through. Don't worry; you won't have to re-register.

Check: Select **Check**. Click **Print invoice (PDF)**, and then click **Done** to complete the payment process. Mail the invoice to the correct address along with your check. Once your check is received and updated in the ClubExpress system, you will receive a payment confirmation email, and your membership becomes *Active*. You can then log into the Club website.

PayPal: Refer to the instructions on how to make a payment via PayPal. Then click the **PayPal Checkout** button. Once your payment is processed, you will receive a payment confirmation email, and your membership becomes *Active*. You can then log into the Club website.

Venmo: Observe that in the *Other Payment Options* section, it states you can pay via Venmo. If you pay via Venmo, the payment process is done outside the ClubExpress system. Follow the instructions outlined in the Venmo Payment guide. Click [here](#) to access the guide. Once we receive notification that your Venmo payment has been processed and we update this information within ClubExpress, you will receive a payment confirmation email, and your status is marked as *Active*. You can then log into the Club website.
