Governor's Message

Dear Golden West Region Soroptimist Leaders,

Are you ready to **ENGAGE YOUR PASSION?** You are officially invited to the 2018 Leadership Training Retreat. We have spent the last 2 years working towards our **ONE MISSION** of providing access to education for women in our local communities. This year, we are going to build on our past successes, but also try something new and different. As you begin your new club year, it is vitally important to have a solid strategic plan in place. One that includes measurable goals that your club members can rally behind throughout the year. Your club's strategic plan will provide this roadmap to success! This approach is also relevant to the Region's success. Therefore, we are going to take the opportunity of having **ALL** of the Region's leadership in one room with the goal of developing the plan for our collective successes! Don't be left out and make your plans to attend today.

I look forward to seeing you at this exciting workshop of idea sharing, networking and fellowship in July!

Lori Reed
2018-2020 Governor
Golden West Region
