

2016-2017 Impact & Club Engagement Report

SOROPTIMIST INTERNATIONAL OF THE AMERICAS

In 2016-2017, **12,265 girls participated in Dream It, Be It through 540 projects** hosted by Soroptimist clubs.

Of these projects, 214 were conferences, 217 were a series of small group mentoring sessions, and 109 were held in another format, such as a hybrid of conference followed by mentoring sessions, and using the curriculum while working with girls ongoing during lunch time and after school periods. This year, clubs contributed 34,979 volunteer hours (41% increase from 2015-2016) and \$312,853 (18% increase from 2015-2016) in support of local Dream It, Be It projects.

These increases in number of Dream It, Be It projects and girls reached demonstrate clubs' and regions' response to our organizational goal of increased collective impact. Increased impact for Dream It, Be It, in addition to 80,000 supporters engaged in LiveYourDream.org, more and diverse funders, and a slowdown in our membership decline prove that we can accomplish more when we work together. To secure our future – and the impact we have on girls – we need to continue our efforts to work towards the same goals. SIA is committed to honoring more girls disadvantaged by poverty, violence, unstable home lives, teen pregnancy, foster care and other obstacles to living their dreams. SIA's research found 10.2 million girls in our 20 countries and territories who aged 14-18 and living in poverty. For us to grow our collective impact – and for others to understand how our global efforts improve the lives of disadvantaged girls – we need to continue investing our resources in Dream It, Be It to strengthen our story of greater impact.

Using a participant evaluation form, clubs collected responses from girls after each Dream It, Be It project and entered them into an online evaluation form. For 2016-2017, the evaluation tool collected responses on behalf of 9,751 participants (80% of reported participants). The girls reported exciting results:

- 89% feel more confident about their future success
- 87% feel more prepared to pursue their career goals
- 83% report Dream It, Be It has provided them with new tools to overcome obstacles to their success
- 83% report Dream It, Be It has provided them with new tools to overcome setbacks
- 87% understand how their values can connect to possible careers
- 86% know women who want to support their professional aspirations
- 86% were introduced to professional role models
- 88% created achievable goals for their future
