SOROPTIMIST Means BEST FOR WOMEN

Important News from the Governor!

Happy Mother's Day!

Whether you care for Children, Grandchildren, Friends, Family or Furbabies, we all mother & care for someone and we all deserve a day of love, appreciation and reflection. For many, you are their Super Hero, their mentor, their biggest supporter...but you just aren't told enough how much you are loved and cherished for it.

Let the world give thanks for women like you for there is no influence more powerful or love more pure than that of a Mother. A Mother's love is peace, it need not be acquired and it need not be deserved.

Wishing each and every one of you a glorious day full of love and gratitude.
