

a morning of leadership, mentorship, and scholarship

We invite you to join with the clubs and members of Rotary International District 6450 as we convene, connect and encourage our next generation of leaders at: empowerLEADERS, a morning of leadership, mentorship and scholarship. Rotary International District 6450 covers seven Illinois counties and represent approximately 1800 Rotarians serving over 70 neighborhoods.

This event will be held at Carl Sandburg High School in Orland Park, Illinois on Saturday, February 16th from 8AM until 12:30PM. Our keynote speakers represent exceptional leaders from the world of Service, Enterprise and Business. The morning will conclude with the presentation of three Leadership Awards to attending Proteges who have been nominated in advance, often by their mentors.

Rotary International's 1.2+million members in more than 36,000 clubs worldwide are "People of Action"! We are leaders who work together to address our world's most persistent issues as defined by Rotary's Six Areas of Focus:

Promote Peace
Provide Clean Water

Fight Disease
Save Mothers and Children

Support Education
Grow Local Economies

Strong leadership is critical when it comes to addressing these problems and creating lasting change and workable solutions across the globe, in our communities and in ourselves. We expect to identify and develop future leaders to serve **everywhere every day**.

Our Objective: Identify future leadership potential in our communities

Our Audience: Mentors: teachers, coaches, principals, business executives, government officials, business and non-profit community leaders

Proteges: high school seniors, college students and young professionals

Our Purpose: Cultivate leadership ability and talent of individuals who are best suited to effect and lead meaningful future change at all levels within their communities, businesses and organizations.

If this message of empowerment resonates with your business ideals we invite you to partner with us in support of: empowerLEADERS. Share the experience and take a role in shaping the leader of tomorrow today.

We look forward to working with you. Thank you, in advance, for your support. Please contact:
