THERE'S NO PLAN B

Grant Park Clean-Up

On April 24, Rotary Districts around the Great Lakes will conduct cleanup projects in the Great Lakes watershed to celebrate Earth Day and the Seventh Area of Focus for the Rotary Foundation.

As such, and in partnership with Grant Park Advisory Council, on April 24, **Rotary** will be spending the morning cleaning up the front yard for the City of Chicago, Grant Park!

The participants will be assigned to identified sectors within the Park. The first emphasis will be on the Park south of Ida B. Wells to Roosevelt Rd. Additional sectors north of Ida B. Wells will be assigned if number of participants allows.

Trash bags and gloves will be provided. Participants may want to consider obtaining a "reacher grabber" tool if desired. (Available at local hardware stores or online).
