

### **What is a Friendship Exchange?**

A friendship exchange trip is an opportunity for Rotarians to become familiar with another district in the world. We aim to become familiar with the culture, customs, and participate in a Rotary project and/or community service event while abroad. Also, we aim to have fun all the while and even experience key tourist destinations on the trip!

**Rotary Friendship Exchange Trip to Nigeria:** District 9141 & 9142, Nigeria.

**When:** November 7th - 17th, 2018.

**Who?** 10 - 20 people from District 6450 would be an optimal number. Spouses or guests are welcome but this number is total people, not just the number of Rotarians.

**Cost:** Airfare plus pocket money. Local transportation, lodging and meals are covered. **Estimated Cost 1500 to 1800 dollars**

### **Is there a project? If so, what's the project?**

There will be opportunities to visit some Rotary Foundation project sites, participate in both District and Local Rotary Clubs activities and celebrations.

### **What's the goal?**

Very much in line with Rotary, the goal of a Friendship Exchange trip is to build goodwill and better friendships with our fellow Rotarians around the world. We expect long lasting friendships to emerge. This is an **opportunity to be hosted by fellow Rotarians in Nigeria** and see how the global Rotary family live and work!

### **How do I sign up?**

Contact PDG Osei Andrew-Hutchinson or Kanayo K. Odeluga via email. (govosei@rotary6450.net or kkolisa@gmail.com)
