I / We commit to the following activities in support of the Pollinator Resolution:

As a Pollinator Partner, you are encouraged to define what you or your organization choose to do in support of pollinators.

The POLLINATOR RESOLUTION summarizes several potential options such as supporting regional partners in strategic pollinator planning, planting pollinator gardens, avoiding or limiting pesticides, creating meadows and diversified lawns, implementing pollinator-friendly mowing practices, and/or pollinator education outreach. You may have additional ideas. Please be as specific as possible.
