A Rotary Friendship Exchange team of 6 couples from Rotary District 3060 (west-central India) will visit our area June 1-14, 2018, just prior to the Rotary International Convention in Toronto. They will attend the Rotary Peace Conference in Chicago on June 2. A return visit to India has not yet been scheduled.

We are open to suggestions for their itinerary, both Rotary and non-Rotary places. Of course, we will want to visit as many Rotary clubs as possible during that time.

We need 6 host families for the 14 days. Ideally, we would like to split up the 14 days as 4 or 5 days in each district, so 6 host families per district. **They will stay with District 6450 Hosts from June 1 to June 5.**
