

We invite you to join with the Northern Illinois Rotary Clubs (approximately 180 strong) as we convene, connect and encourage our next generation of leaders at: **empowerLEADERS, a morning of leadership, mentorship and scholarship.** The Northern Illinois Rotary Districts, 6450, 6440 and 6420 cover 25+ Illinois Counties and represent approximately 6,000 Rotarians serving in over 200 neighborhoods.

This event will be held at Oakton Community College in Des Plaines on Saturday, April 14th, 2018 from 8AM until Noon. Our keynote speakers represent exceptional leaders from the world of Service, Enterprise and Government: Ms. Juliet Riseley, the First Lady of Rotary International, Ms. Doritt Bern, former President and CEO of Charming Shoppes and Lt. Colonel Kristen Bakotic, US Air Force, Department of Defense, Pentagon. The morning concludes with the presentation of three Leadership Awards to attending Proteges who have been nominated in advance by their Mentors.

Rotary International’s 1.2+million members in more than 36,000 clubs worldwide are “People of Action”! We are leaders who work together to address our world’s most persistent issues as defined by Rotary’s Six Areas of Focus:

**Promote Peace
Provide Clean Water**

**Fight Disease
Save Mother’s and Children**

**Support Education
Grow Local Economies**

Strong leadership is critical when it comes to addressing these problems and creating lasting change and workable solutions across the globe, in our communities and in ourselves. We expect to identify and develop future leaders to serve **everywhere every day.**

Our Objective: Identify future leadership potential in our communities

Our Audience: Mentors: teachers, coaches, principals, business executives, government officials, business and non-profit community leaders

Proteges: high school seniors, college students and young professionals

Our Purpose: Cultivate leadership ability and talent of individuals who are best suited to effect and lead meaningful future change at all levels within their communities, businesses and organizations.

If this message of empowerment resonates with your business ideals we invite you to partner with us in support of: **empowerLEADERS.** Share the experience and take a role in shaping the leader of tomorrow **today.** We look forward to working with you. Thank you, in advance, for your support. Please contact:
