

THE VILLAGE DRILL

Innovative - Powerful - Sustainable - Transportable

A SUSTAINABLE CASH SOLUTION FOR YOUR
HUMANITARIAN PROJECTS

Now is your chance to create sustainable, local business bringing clean water, jobs and income to your schools, farms, churches and communities.

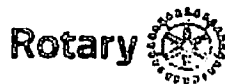

In the past 3 years the Village Drill solution has drilled over 900 wells in 25 countries bringing clean water solutions to nearly 1 million people.

We all know Clean Water Transforms any
Humanitarian Project from
Good to GREAT

Together we can solve the world's water crisis!
