

Rotary  
District 6450

## Rotary Earth Day Great Lakes Watershed Cleanup

Grant Park, Chicago  
April 24, 2021 at 10 AM

### Event and Sign Up Information

1. Grant Park will be divided into sectors for this event, with Clubs/Rotarians assigned to specific sectors
2. Trash bags and gloves will be provided to all volunteers. Volunteer should plan to bring their own water for hydration
3. It is anticipated that the event will run for approximately 1 ½ to 2 hours
4. Each sector will have a Rotary Coordinator assigned. The Coordinator will handle the distribution of supplies to those Rotarians assigned to that specific sector
5. Volunteers who come across any debris that cannot be safely removed, will relay this information to the sector coordinator who will in turn relay it to the appropriate contact.
6. In order to ensure the safety of all participants, the number of volunteers assigned to each sector will be limited, face masks will be worn by all and appropriate social distancing will be maintained
7. It is asked that each Club complete the attached signup form for Club members and guests that would like to volunteer.
8. The completed forms need to be returned **no later than April 10** so that adequate supplies can be obtained and sector assignments can be completed.
9. Information on meeting location, parking suggestions, sector assignments and sector coordinator will be sent out via email several days before the event.

Send the completed volunteers signup forms to Manon Lyketsos at [Manon@manonlyketsos.com](mailto:Manon@manonlyketsos.com)
