Rotary

Rotary is a worldwide organization of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. Approximately 1.2 million Rotarians belong to more than 31,000 Rotary clubs located in 166 countries. The world's Rotary clubs meet weekly and are nonpolitical, nonreligious, and open to all cultures, races, and creeds.

The main objective of Rotary is service — in the community, in the workplace, and throughout the world. Rotarians develop community service projects that address many of today's most critical issues, such as children at risk, poverty and hunger, the environment, illiteracy, and violence. They also support programs for youth, educational opportunities and international exchanges for students, teachers, and other professionals, and vocational and career development.

EarlyAct™ augments Rotary's effort to provide young people with opportunities to serve their communities and also exposes them to additional educational and leadership opportunities. Thousands of students have taken advantage of Rotary's Interact for High School level, youth exchange program, ambassadorial and peace scholarships, and leadership training. Underlying all of Rotary's programs is the motto ...

Service Above Self.
