

10th Annual Hampton Roads Sunfish Challenge and Dinghy Distance Race

Hampton Yacht Club, Hampton, VA

September 22, 2018

Great sunshine and warm weather greeted the sailors for the 10th Annual Hampton Roads Sunfish challenge and 68 sailors take to the line. Unfortunately, very light winds and strong current were prevalent at the start but after half way through and the fleet rounded Middle Ground Lighthouse (only turning mark), winds picked up to 12-15 NW, enabling 62 of the 68 boats that started to finish. But over all a fun day and a great party both Friday night and Saturday night!

Joe & Zach Buczkowski were the only Lightning competing.
