# NORTH SAILS

**OUR  
COMMITMENT TO  
THE LIGHTNING  
CLASS  
GROWS . . .**

### **Dave Curtis Joins North**

North Sails will now benefit from Dave Curtis' experience making fast Lightning sails and from his future participation in class regattas.

### **More Sail Development Than Ever Before**

Our 1985 sails were fast, but as a result of our constant regatta participation and intensive testing we've designed faster sails for 1986.

### **Many Solid Regatta Performances**

North customers found their '85 sails faster and easier to use. North sails have been first in the Midwinters, Southern Circuit, Canadian Nationals and Open, President's Cup, Northeast Champs, and second in the World Championships.

**IN 1986 YOU TOO CAN BENEFIT WITH FASTER SAILS  
AND TUNING TECHNIQUES**
