3. DROWNED RAT—WHO HAS THE COOLEST OUT OF BOAT EXPERIENCE
4. GIVE ME A BREAK—AN EXPENSIVE WIN

**WE HAVE A DEAL:** Drive your boat to Charleston, for the Wild Oyster (Oct. 22-23) and we will get it to Sanford. Or drive your boat to Sanford (near Orlando), sail the regatta, leave your boat, we will deliver it to St. Petersburg. Fly to Orlando and/or St. Pete, sail the regatta, fly home and pick up your boat in St. Pete where the Southern Circuit starts March 19-21.

If you want to leave a vehicle in Orlando, that is great, then just fly back and forth.

When we move your boat you will need to cover the small out of pocket expenses. In addition, it will be \$15/week for boat storage and other incidental costs.

**WONDERFUL LIFE:** You know St. Pete but what about Sanford-Orlando--Sanford is wonderful sailing venue and offers all kinds of vacation opportunities. Plus Sanford is small town USA. There is a motel on the regatta site and small town main street is a 4 minute walk, with nice restaurants and bars!!!
