

International Lightning Class Association Annapolis Trophy

Deed of Gift

Whereas: Annapolis Lightning Fleet 329 hosted the 1991 Lightning Class World Championships on the waters of the beautiful Chesapeake Bay, and

Whereas: Annapolis Lightning Fleet 329 wishes to have a perpetual remembrance of those noteworthy events, and

Whereas: Annapolis Lightning Fleet 329 wishes to honor the most admirable accomplishment of that crew who finishes Fourth in the Lightning Class World Championships,

We, therefore, deed this antique sterling silver punchbowl, to be known as The Annapolis Trophy, to the International Lightning Class Association in perpetuity, as a trophy to be presented to each Fourth Place finisher in all future Lightning Class World Championships.
