SYC is a great place and you are welcome as soon as you arrive at the gate. It was our first time back since the NA's.

Saturday morning's Bacon Bar did not disappoint. Chef Doug Wake, along with his amazing bacon frying skills accompanied a great breakfast sendoff for racing. With a nice N-NE breeze, we were able to get racing off on time. RC Rich got 2 nice races in before the fog chased us back to shore for the day.

Saturday night included a wonderful pasta buffet and entertainment by local up-and-coming band Urban Royalty, featuring current Jr. NA Champ Noah Bartelt on bass guitar. Check them out at: <https://www.facebook.com/urbanroyaltyband/>.

Sunday morning involved more bacon(!!!) and short postponement to wait for the breeze to wake up. The sea-breeze did come in to get us out on the course for more racing. While waiting for the course to clear, RC Rich provided the fleet with some practice starts. This was really fun and I loved trying different techniques.

A light S-SE breeze allowed for 3 fun races. My team of Amy Simonson and my wife Jacqueline were able to hold off NA Champs Team Wake (Todd/Kristine/Ben) to secure the win. Team Orlebeke (Pete/Cole/Kim) was third. Team Faude (Beel/JD/Juju) and Team Phelan (Brian/Elmo/Craig) rounded out the top 5.

What a great weekend in Sheboygan. Thanks a bunch to Jacq and Amy for getting us around the course. For Jacq, Dean and I, it was a great vacation that involved visiting family, meeting new and seeing old friends. Big thanks go to the Wakes, RC, volunteers and all of SYC for a memorable weekend. Put this regatta on your calendar for next year! I know Chef Doug will be ready with the bacon.
