After a period of inactivity, the Peru District Lightnings finally returned to the sea in La Punta, Callao. Our first championship has been the Centro Naval del Peru, which involved four boats. In Saturday's race, we had very light winds, between 3 and 6 knots; on the next day, Sunday, the wind began at 8 knots, increasing progressively to 13 knots, making the competition much more exciting.

For the next championship, which will be held on the last weekend of this month, we expect the participation of five boats.
