Saturday brought breeze starting out at 225 and ending the day at 270. Steady 8-14 knots. 3 great races near where the NA's will sailed. Sunday was a different story - Breeze On! There were some that didn't sail and many that tested out the Lake Erie water when their boat flipped. RC completed 2 more races.

Photos of racing Saturday are from Stas Balanevsky and the awards photos from Kathryn Moloney are on the [ILCA Flickr Page](#)
