Nine boats plus four races and good air (SSW10-15) – made for a great day at the races on Keuka Lake. Some "old regulars" returned, some newer visitors and a former member, now out of the Adirondack North Country, turned up to enjoy a surprisingly good day. Winning bottles of Dr. Frank's "Celebre" (nice stuff!) were:

1st place – Dan Pope and crew with No. 15250;

2nd place – Bob King and crew on board No. 15279; and

3rd place – Clay and AJ Murphy and crew on No. 14849.

KYC's Lightning tradition award to the oldest numbered boat to complete went to former KYC member Barry Brogan and crew on beautifully restored No. 10490. All voiced thanks to Event Team volunteers: Cheryl and Dave Tierson (great job at Race Committee duty, Dave!), Fleet 252 Key Person Robin Crist, Paul Schnipelsky.
