12	76	P Larrain	10	10	9	11	12	12	dns	dns	dns	103	13	90

The 2015 Chilean South American qualifier was held at Rapel Lake on a beautiful 3 day long weekend. It had been 7 years since the class had organized an event here and I'm sure most of the guys that sailed this event are asking why we took so long to come back.

The conditions were great with winds ranging from 6 to 18 knts. Although being as this was lake, the puffs sometimes came from anywhere, specially on Sunday. The fleet of 12 boats went at it for 9 races, there was no clear winner going into Sunday. In fact, only three points separated 1st to 4th place. But in what proved to be the most demanding day Diego Gonzalez consolidated an awesome show taking all three races. In second place came Tito Gonzalez and third Pablo Herman.

Next in the Chilean fleet calendar comes another event in Rapel on November 22nd and 23rd and wrapping up the year our premier regatta the Nationals at Pucon, which is also our World's and PanAm qualifier.
