Thanks to everyone who came out! It wouldn't have happened without you all being there. We got in 4 races, thanks to our capable RC lead by Matt O'Connor of the Columbia Sailing Club. What a great crew, they were chomping at the bit to get out there before everyone had even arrived. They managed to get us started with just a 5 minute delay, at 12:05. We sailed until 4:00.

Ray is new to the Lightning fleet, and I first met him a year ago after his first regatta, in Florida, had been cancelled due to Covid. What a way to start out in a new boat!

We're hoping to go again in a couple of weeks, maybe in Charleston?
