9 quick races on beautiful Spofford Lake. Winds ranged from 2-10 knots and relatively steady for our small lake.

Ben Wallwith expert crew Karen Walland Ian Wallwere up for the challenge and were clear first.

Bob Bush and Alex Gemmell co skippered with some good finishes to take second, just ahead of Pat MacQueen and Paul Henkel.

As is usual on Spofford, the winds were light, but always enough to easily keep the spinnakers pulling.

Both days had increasing winds throughout the day making for quick races and an early dinner on Saturday and early lunch on Sunday.

All that was missing were more boats. The wind was great, the food was great, the racing was great.
