### Lightning Great Lakes Championship, La Salle, Michigan

Michigan District leader George Sipel continued his winning ways by adding the Great Lakes Championship to his list of victories for 2012. Teamed up with Jeff Hagman and Christine Rice, Geo's team went toe to toe with runner up, Ernie Dieball with crew Jacqueline Dieball and Lindsey Vickers. Third place went to Jim Taylor's team from Cowan Lake.

Conditions were near perfect on both days. The winds were in the 8-12 knot range and temperatures manageable. All that attended were treated to some great food and entertainment to go along with the terrific sailing.

Congrats to Team Geo. Keep up the fast sailing!
