The 2011 LI Lightning Districts were hosted on July 9 by Fleet 506 from the Orient YC, Orient, NY. The day dawned fine and clear winds ranging from 10-15 knots from the WNW. Racing began promptly at 1100 sailing windward/leeward courses, twice around. It was a beautiful day of sailing with close finishes in all races. At the series completion just 3 points separated the first and third boats. A fine BBQ and beverages followed which was enjoyed by all participants.
