5	14138	P. Karzyensky	DNS	DNS	DNS	DNS	

The event was hoisted this year by the Southampton YC on a beautiful sunny day. Breeze was wouth westerly, with all races being sailed in the 15 to 18 mph range. The RC adjusted the courses due to the oscillations of the breeze, keeping all legs as close to up and down wind as possible.

A great post racing BBQ and reception was hoisted by the Southampton Yacht Club staff. All participants enjoyed the racing and socializing and will be sure to return in 2018.
