The Long Island District event was held July 12, 2014 hosted by the Schincock YC. Ideal conditions were present for the entire event, with winds starting in the SSE going to SW for the last race, ranging in strength from 10 to 14 knots. The races were close throughout the event with windward leeward courses being sailed.

After racing a great BBQ was hoisted for the competitors and guests, with wonderful beverages available for those over and under 21 years of age. A good time was had by all, and we are already looking forward to next years event.
