The Nyack Fleet held its 35th annual Magnus Pederson Regatta on June 7th and 8th. Temperatures were in the high 80's, and winds were light and shifty for the 15 competitors, including top crews from Surf City, Metedeconk, and Riverton in N.J., and Cedar Point, and Niantic in Conn. We also had our local grant boat skipper Justin Coplan with crew Ellie Turk and Fiona Gordon who had her ankle in a soft cast.

On Saturday morning, we watched a video of a Rules Seminar as we waited for the wind to fill in. After lunch, a southerly came up, and we sailed 3 races. At the end of the day, Gary Hurban was in first place followed by Ryan Sprole in 2nd, Tim Milhiser in 3rd, Steve Warren in 4th and Bob Sengstacken 5th. Saturday night we enjoyed a cocktail party followed by the traditional cook your own steak barbeque.

Light and shifty winds on Sunday turned the standings around as Bob Sengstacken won the day, Gary finished 2nd to maintain his lead, and Justin was 3rd. This moved Bob into 2nd overall, with a three way tie for the next three places going to Tim Milhiser in 3rd, Steve Warren in 4th, and Ryan Sprole in 5th.

We invite everyone to join us this Fall for our one day Last Blast Regatta on October 4, and next year at our 36th Magnus Pederson Regatta.
