This weekend we hosted the Magnus Pedersen Regatta in combination with the Metropolitan District Championships. There were six races in variable winds (0 to 16 mph, with lots of under 5), a very demanding weekend. Gary is writing it up, as top Nyack skipper (congratulations!). We thank Joan Hurban for the tremendous effort and excellent job organizing and running the regatta: Thanks, Joan! And thanks to everyone for pitching in and fulfilling your work assignment.

Bob Sengstacken
