First off, thank you to Columbia Sailing Club for a great event. This was our first time sailing at the Columbia Sailing Club and on Lake Murray; needless to say, we will be back! Saturday was a very tough day for the race committee with a dying north westerly breeze. They made the most of it though and we were able to get in one race before a complete glass off. We spent most of the race chasing the leaders, but were able to get lucky with puffs downwind and won the race on the last leg.

Columbia Sailing Club threw a very fun regatta party on Saturday night with a BBQ dinner and live band.

Sunday we were greeted to a shifty 6-12 knot easterly. This allowed for very tight racing between the 9 boat fleet and three races total for the day with different boats taking wins in each race. Congrats to all other competitors racing and thank you again to Columbia Sailing Club. See everyone at the next event!
