On Saturday, we had about 5 to 8 knots in the first race and 1 to 6 in the second race. The wind did completely die at the end of the second, race but, luckily, all the boats were on the final 2/3's of the windward leg to the finish, so it wasn't super painful. We floated for about 30 minutes, and then racing was abandoned for the day.

Appetizers, plenty of beers and "Kika" juice were on hand for the cocktail hour, followed by a Mexican dinner prepared by Marilynne Johnson. The pink hour over the bay, and the green mountains was pretty spectacular.

Jamie Allan with crew Jay Deakin and Chantal Leger won the day but had to head back to Montreal for Sunday. This would open the door for Michael Zonnenberg and Peter Hazelett, who were tied for second with six points. Caroline Patten, Emily Pelo and Catherine Pelo would have also had a great day, finishing with a fifth and a first, had it not been for an OCS in the second race.

Sunday's conditions were a bit breezier, with most crews all hiking in the first race. Michael Zonnenberg, Michael Booker and Adam Ceely had an impressive day with a 2, 1, 1 which put them five points ahead of Peter Hazelett, James Unsworth and Derek Deming to gave them the District Championship. Congrats to Michael and his team for a great two days of racing.
